There are lots of shallow areas you need to be aware of please check your maritime / nautical map for more detailed information.

- **Pier/Slips** - Transient floating dock with approx. 9 to 12 slips available.
- Depth is around 3 feet but maybe 4 feet depth around bulkhead and 7 feet depth further out If you draw more that 3 or 4 feet – anchor out and dinghy in.
- No electric or water at this time.
- Pump-out sewer, water and electric planned for Fall 2022.
- Overnight tie up okay – suggest no more than two nights – no slip charge at this time.
- **No facilities** – Seasonal concession stand. Bathrooms open only from 7 am-9 pm. Closed November to the end of March.
- No crabbing or fishing is permitted.
- Canoe/Kayak floating launch is available.
